

Material Circumstances

IMPORTANT – This policy is a legal contract

Please remember that you must make a fair presentation of the risk to us. This means that you must:

- (1) disclose to us every material circumstance which you know or ought to know or, failing that, sufficient information to alert us that we need to make further enquiries; and
- (2) make such disclosure in a reasonably clear and accessible manner; and
- (3) ensure that, in such disclosure, any material representation as to a: (a) matter of fact is substantially correct; and (b) matter of expectation or belief is made in good faith.

A material circumstance is one that is likely to influence an insurer in the acceptance and assessment of the application. You must also make a fair presentation to us in connection with any variations e.g. changes you wish to make to your policy. If you fail to make a fair presentation of the risk then this could affect the extent of cover provided or could invalidate your policy, so if you are in any doubt as to whether a circumstance is material then it should be disclosed to us.

Disclosures should be specific and made in a reasonably clear and accessible manner. We will not be deemed to have knowledge of any information generally referred to (for example the contents of company websites listed in the risk presentation) or any matter not expressly drawn to our attention.

Each renewal invitation is made on the basis of the information we have at the time it is issued. We may revise or withdraw it if, before the date your renewal takes effect, any event occurs that gives rise to a claim or alters the material circumstances under this insurance, even if we are notified after your renewal date.

A specimen copy of the policy wording is available on request. You should keep a record (including copies of letters) of all information supplied to us for the purposes of the renewal of this insurance. A copy of the completed application will be supplied on request within a period of three months after its completion.

How your Personal Information is used and shared by insurers and databases in relation to motor insurance

The Personal Information you provide will be used by us and shared with other insurers as well as certain statutory and other authorised bodies for:

- Insurance underwriting purposes. To examine the potential risk in relation to your (and/or a third party's) prospective policy so that we can:
 - o Consider whether to accept the relevant risk;
 - o Make decisions about the provision and administration of insurance and related services for you (and members of your household);
 - o Validate your (or any person or property likely to be involved in the policy or claim) claims history (at any time including upon application for insurance, in the event of an accident or a claim, or at a time of a mid-term adjustment or renewal).
- Management Information purposes. To analyse insurance and other markets for the purposes of:
 - o Portfolio assessment;
 - o Risk assessment;
 - o Performance reporting;
 - o Management reporting.
- Anti-fraud purposes. To detect and prevent fraudulent claims and/or activities by:
 - o Sharing information about you with other organisations and public bodies including the police;
 - o Tracing debtors or beneficiaries, recovering debt, managing your accounts and/or insurance policies;
 - o Undertaking fraud searches. Insurers pass information to fraud prevention agencies and databases including the Claims and Underwriting Exchange Register and where appropriate the Motor Insurance Anti-Fraud and Theft Register by the Motor Insurance Bureau (MIB). This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers.
- Compliance with legal obligations and responsibilities, including:
 - o Claims management – In the event of a claim we may need to disclose information with any other party involved in that claim, e.g. third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. We also may have to investigate your claims and conviction history;
 - o Complaints management – If you make a complaint about the service we have provided, we may be obliged to forward details about your complaints, including your Personal Information, to the relevant ombudsman;
 - o Information about your insurance policy will be added to the Motor Insurance Database (MID) managed by the MIB. MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the Driver and Vehicle Licensing Agency (DVLA), the Driver and Vehicle Agency Northern Ireland (DVA), the Insurance Fraud Bureau and other bodies permitted by law. This information may be used for purposes permitted by law, which include:
 - Electronic Licensing;
 - Continuous insurance enforcement;
 - Law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
 - The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the European Economic Area or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Individuals who may be citizens of other countries or their appointed representatives making a claim in respect of a road traffic accident may also obtain relevant information which is held on the MID. It is vital that the MID holds your current registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the police and/or a fixed penalty notice.

You can check that your current registration number details are shown on the MID at www.askmid.com

How your Personal Information will be processed

- Information which is supplied to fraud prevention agencies and databases, e.g. the MIB and MID can include details like your name, address and date of birth.

- Your data may be supplied to databases in order to facilitate automatic no claim discount validation checks.
- Your data may be transferred to any country, including countries outside of the European Economic Area, for any of the purposes mentioned above.
- Under your policy you must tell us about any incident (e.g. an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the fraud prevention agencies and databases, e.g. the MIB.

How we use your Driving Licence Number

Insurance underwriting purposes i.e. to examine the potential risk in relation to your (and/or a third party's) prospective policy so that we can:

- Provide your (or any person included on the proposal) Driving Licence Number (DLN) to the DVLA to confirm your (or the relevant person included on the proposal) licence status, entitlement and relevant restriction information and endorsement/conviction data. Searches may be carried out prior to the date of the insurance policy and at any point throughout the duration of your insurance policy including at the mid-term adjustment and renewal stage. A search of the DLN with the DVLA should not show a footprint against your (or another relevant person included on the proposal) driving licence;
- Searches may be carried out at point of quote and, if an insurance policy is inception, at the mid-term adjustment and renewal stage.

Please note that if you give us false or inaccurate information it may invalidate your insurance policy/prospective insurance policy or it could affect the amount we pay to settle any claims you make under the policy.

We can supply on request further details of the agencies and databases we access or contribute to and how this information may be used. If you require further details, please contact us.

For details relating to information held about you by the DVLA please visit www.dvla.gov.uk

Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- Undertake searches against your (or any person included on the proposal) DLN against details held by the DVLA to confirm your licence status, entitlement and restriction information and endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure. A search of the DLN with the DVLA should not show a footprint against your (or another relevant person included on the proposal) driving licence;
- Share information about you with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file your details with fraud prevention agencies and databases, and if you give us false or inaccurate information and we suspect fraud, we will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for you and members of your household;
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage your accounts or insurance policies;
- Check your identity to prevent money laundering, unless you provide us with other satisfactory proof of identity;
- Check details of job applicants and employees.

Claims History

- Under the conditions of your policy you must tell us about any insurance related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When you tell us about an incident we will pass information relating to it to a database.
- We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

We can supply on request further details of the databases we access or contribute to. If you require further details please contact us.

If You Have a Complaint

If for any reason you are unhappy with the product or service, please get in touch as soon as possible. For contact details and more information about the complaints procedure please refer to your policy documents. Where a complaint cannot be resolved to your satisfaction you may be able to ask the Financial Ombudsman

Service (FOS) to carry out an independent review. Whilst firms are bound by their decision you are not. Contacting them will not affect your legal rights.

You can contact the FOS on 0800 023 4567 or visit their website at www.financial-ombudsman.org.uk, where you will find further information.
